

KOMPACT 10

10" Co-axial
multi-purpose speaker

FEATURES

- **Compact design which ensures small footprint.**
- **Multiple mounting options making it a truly multi-purpose speaker**
- **Dual angle for stage monitoring purpose**
- **Pole mount base for portable applications**
- **Multiple eyebolts ensure various flying options**
- **Co-axial design ensures a wider and more uniform listening field**

The Alpha Acoustics® KOMPACT 10 is a passive co-axial multi-purpose speaker that can be used as front-of-house speakers in various mounting configurations. The co-axial design gives it the flexibility to be used in various positions. The speaker also comes with various mounting options making it a perfect all rounder. The 100° conical dispersion ensures even distribution of sound.
